

BECKY
Stille
U.S. CONGRESS
Nebraska's 3rd

Becky will fight for the Nebraska's 3rd district working families in the U.S. House.

I'm a life-long Nebraska resident and I've overcome many obstacles in my life and with the help of family and friends, I've gone from a single teenage mom to my current position where I earn a six-figure salary. Dedication and devotion, and the lessons I've learned helped me achieve my goals. Now, I want to serve our country in the U.S. Congress.

Becky Stille

Becky Stille is a Democrat for U.S. Congress in Nebraska's 3rd district running to defeat GOP Congressman Adrian Smith. As Nebraska's next 3rd district U.S. Congresswoman, Becky will be a champion for Nebraska's values.

Becky will work hard to save family farms, support working families, create jobs, restore women's reproductive freedoms, bring health care & mental health care to rural communities, honor veterans, save the U.S. Constitution, defend our democracy, and fight the oligarchy.

MEET BECKY STILLE

WIFE, MOM, GRANDMOTHER, AGRICULTURE BUSINESS CAREER, LIFE-LONG NEBRASKAN

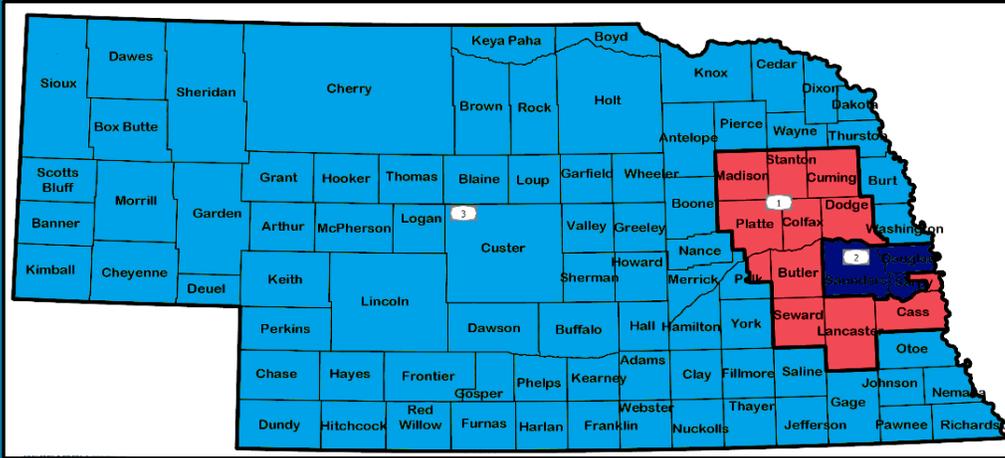

Becky was born number three of five children on December 6, 1969 in Sioux City, Iowa to James and Karen (Grimm) Kelly. Her mother was a homemaker, while her father worked mostly odd jobs. She grew up and lived in Nebraska her whole life. At twelve years old she started detasseling corn for Gangwish Seed Farm in Shelton, Nebraska, and has been working mostly in the agricultural industry ever since.

Her mother, throughout Becky's life, stressed the importance of hard work and self-reliance.

She had two stepfathers who greatly impacted her life. Her first stepfather, Denny Bowers, was a Viet Nam Veteran and taught her the importance of our government and our freedoms. Her second stepfather, Bill Collins, was the perfect example of expecting more of yourself and overcoming obstacles.

In 1995, she met fellow IBP employee, and her future husband, Alan Stille. Alan, a native of St. Peters, Missouri, was recruited by IBP during his senior year at the University of Missouri. Becky and Alan were married in 1997, have four children, blessed with five grandchildren, and currently reside in South Sioux City, Nebraska.

NEBRASKA'S 3rd DISTRICT – LET'S FLIP THE 3rd BLUE!

Nebraska's 3rd Congressional District has 80 counties and is in two time zones. It includes the cities of Grand Island, Kearney, Hastings, North Platte, Alliance, and Scottsbluff.

Democrats must play in rural districts to flip the U.S. House back to blue.
Becky Stille is the Democratic candidate who can flip the 3rd district blue!

BECKY STILLE'S PATH TO VICTORY

MAGA GOP U.S. Rep. Adrian Smith is vulnerable in 2026

- Adrian Smith's record on AFL-CIO supported legislation is a failure with a lifetime score of 9%. He clearly is not a friend of the Nebraska's Local Labor Unions.
- Adrian Smith is full on MAGA and was Trump's hand-picked candidate. Trump and Smith's policies are hurting Nebraska's families and hitting them in the wallet. Nebraska's working families are taking a hit from Trump and Smith's reckless policies and unconstitutional actions.
- Nebraskans cannot afford Adrian Smith; his record is clear. Trump and Smith's actions are causing inflation, higher prices, stock market losses, and hurting retirement accounts.
- Democracy and the U.S. Constitution are in danger. Trump and Smith's reckless regard in destroying the fabric of democracy must be stopped. One action alone will not tear our democracy apart, but multiple actions of reckless firing, tearing down the institutions like the Dept. of Education, Dept. of Justice Civil Rights Division, National Institute of Health, and so many other important democratic institutions will.

Grassroots GOTV is the key to Becky's Path to Victory

- The Becky Stille for U.S. Congress campaign has already started planning a massive and aggressive grassroots GOTV program.
- In 2026, a non-presidential election year, the predicted voter turnout is 220,000, one of the lowest turnout districts in America. The win number will be 110,001+-. This is exactly why Becky Stille can win in 2026, the lower voter turnout gives Becky an opportunity to flip NE-CD-3 blue by implementing a well thought out strategy & plan, and an aggressive grassroots GOTV.
- In order to flip NE-CD-3 blue, Becky's campaign will register new democratic voters, utilize the latest digital advertising techniques, using TikTok, X, Instagram, Facebook, Blue Sky, Threads, IP & CTV ads, and other social mediums to grab the attention of persuadable voters and urge our targeted voters to vote for Becky Stille.
- The winning strategy and plan are based on turning out a massive democratic vote. The campaign will drive voters to the polls with a well-funded paid and volunteer force of campaign poll drivers.
